

PMLF Litter Clean Up

Meet neighbors and help keep your community clean and beautiful. We are planning a cleanup of Gates 1, 2 and 3 on April 22-23. Meet the Beautification Team at the Clubhouse starting @11am. Keep Pennsylvania Beautiful is providing cleanup supplies through their PICK UP PENNSYLVANIA initiative. Great opportunity for Middle and High School Students to earn community hours for Scouting, Confirmation or other clubs. Register here: Greenteam@pmlfcommunity.com and let us know you will be there.
